

## About Us

Founded in 1983, The Coordinating Center is a Maryland statewide, nonprofit organization that provides community-based care coordination. We serve individuals across all ages and abilities through Medicaid, Medicare, managed care organizations, and other privately funded programs.

Navigating access to health, home, and community-based services can be complex and confusing. Our professionals are dedicated to guiding individuals and families through their journey with kindness, care, and compassion. It is our mission to help people achieve independence, health, and a meaningful community life.

## About the DDA

The Maryland Developmental Disabilities Administration (DDA) partners with people with developmental disabilities to provide leadership and resources to live fulfilling lives.

# How We Help

The Coordinating Center is a provider of Coordination of Community Services (CCS) for the Maryland Developmental Disabilities Administration (DDA) in Central, Southern, and Eastern Maryland. Our expert coordinators help individuals with developmental disabilities across the lifespan access the resources they need to live successfully in the community. We specialize in serving individuals who also have medically complex needs and are receiving services through other Medicaid programs. We have a dedicated, licensed registered nurse consultant on our team to support health care needs.

## We can help you:

- develop a person-centered plan for you to achieve your goals;
- locate affordable, accessible, and safe housing in the community of your choice;
- connect you to community resources and service providers; and,
- support you through the transition to adult services.
