10:30 a.m. – 2:30 p.m. (set-up at 9:30 a.m.)
Kurtz's Beach
2070 Kurtz Ave, Pasadena, MD 21122

Proceeds Benefit The Center's Bridge Fund

About The Event

The Coordinating Center will host its annual Spring BBQ on May 26th at Kurtz's Beach in Pasadena, Maryland. In addition to the food, games, dancing, and volunteer activities that make this event a favorite coworker tradition, we are excited to introduce a Resource Fair.

This new addition responds to coworker interest in connecting with organizations and services that support people living with disabilities and/or complex medical needs, while also providing resources and opportunities that benefit coworkers themselves.

About The Coordinating Center

The mission of The Coordinating Center is to partner with people of all ages and abilities and those who support them in the community to achieve their aspirations for independence, health, and a meaningful community life.

With more than 40 years of experience, our Care Team supports people living with disabilities and/or complex medical needs by helping them navigate health, home, and community-based services. Through care management, service coordination, advocacy, life care planning, and resource connection, we work alongside individuals and families to remove barriers, strengthen support systems, and advance person-centered solutions that honor individual goals and choices.

Why Sponsor Us?

Your support benefits our The Center's Bridge Fund, which provides critical and quality life assistance for services such as:

Durable Medical Equipment

Medical, Dental, and Vision Care

Housing and Utility Support

Summer Camps, Respite, and Assistive Technology

Pharmacy and Health Supplies

Home Modifications

A small investment can prevent costly hospitalizations and support people to live independently in the community of their choice.

After weeks in the hospital, Maria was finally well enough to go home, but she could not get through her front door. Recovering from surgery and now using a wheelchair, she faced an unexpected barrier: three concrete steps. Without a ramp, going home was not possible.

That's when The Bridge Fund stepped in.

Thanks to generous donors, a custom wheelchair ramp was installed within days, giving Maria not just access to her home, but her independence, dignity, and peace of mind.

Your sponsorship helps make critical transitions like Maria's possible.
